## GIVING OUT

The Struggle Discourages Many a Citizen of Norway

Around all day with an aching back, Can't rest at night;

Enough to make anyone "give out," Doan's Pills are helping thousands.

They are for kidney backache, And other kidney ills.

Here is Norway proof of their merit:

John F. Sampson, prop. painting establishment, 174 Main St., says: "I was feeling run down and miserable. I was tired and nervous and my kidneys didn't act regularly. At times the secretions passed too frequently, then again they were scanty. My head ached night and day. A friend advised me to try Doan's Pills so I sent to Stone's Drug Store for them. When I had finished taking Doan's the trouble left and I have not been bothered since. I can certainly recommend Doan's to anyone afflicted likewise."

## ANDOVER

Burgess-Akers

One of the prettiest home weddings of the early winter season took place at the home of Mr. and Mrs. Winthrop Akers, Christmas forenoon at 10 o'clock, when their daughter, Florence Estella, became the bride of Merle Burgess of Rumford Center.

Rev. Gardner Wills, pastor of the Methodist Church at Rumford Center, performed the ceremony, the double ring service being used. The bride wore a becoming dress of light blue satin with a string of pearls, the gift of the bridegroom. The house was prettily decorated with firs and cut flowers.

A wedding dinner was served by the bride's mother. The bride's travelling dress was harmonized with hat and coat in harmony. Mrs. Burgess is one of Rumford's popular school teachers at the Pettengill School. The bridegroom is the eldest son of Mr. and Mrs. T. H. Burgess of Rumford Center, where he conducts a general store. Both bride and groom have many friends who wish them happiness.

With this lower price you get an even more attractive Coach body and a six-cylinder motor built on the principle of the famous Hudson Super-Six.

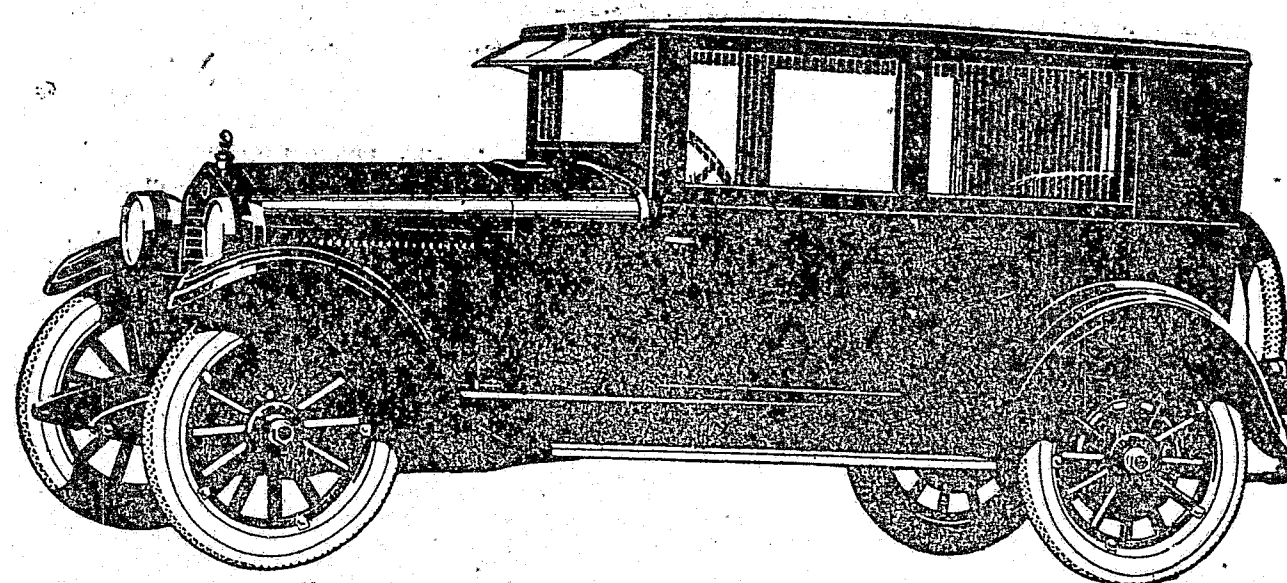

In everything that counts for long satisfactory service at low cost the new Essex combines the best details from both Hudson and the former Essex.

We ask this test: Take a ride. You will enjoy it—that's certain. See how handling is simplified. Starts at the touch of your toe. Steers easily as a bicycle. And how easy gears shift. Easy to park too. Its low center of gravity makes safe and comfortable driving on all roads at all speeds.

Simple to keep in first class condition. Requires little attention. Lubrication for the most part is done with an oilcan. Mileage on fuel, oil and tires is exceptional.

You, too, will say: "the new Essex provides ideal transportation."

A 30 Minute Ride Will Win You

Our Southern friends remembered us with several boxes of fruit at Christmas. Pretty nice of them we think.

On going up to where he was they found he had been shot with fine shot; one of the shot struck him in the eye. He probably will lose the sight of that eye. It is a pity the ones that did it couldn't find something else to take up their time. He certainly isn't big enough to do any harm and if he makes any disturbance just notify Wendall Plummer and he will take care of him. If anybody has a dog they like them and don't want them killed or maimed for life.

## WEST BUCKFIELD

## Accidental Shooting Fatal

Nelson C. Cummings was fatally shot Thursday afternoon in Pearson's woods when he and Joel Foster, Fred Cooper and son, Everett, were running through bushes to head off a fox. Cummings was in the lead when the shot gun in the hands of Foster discharged and shot him in the back causing almost instant death. Dr. Heald of Buckfield was called and later Medical Examiner Raymond of West Paris who pronounced death due to accidental shooting.

Mr. Cummings was a native of Paris, son of Mr. and Mrs. Bert Cummings. He moved here last fall on the farm owned by his brother, Horace Cummings. He leaves a widow, daughter of Mr. and Mrs. Frank Foster, and two small children, his father and mother and several brothers and sisters.

Funeral services were held Saturday afternoon conducted by Rev. P. P. Dyer, pastor of Buckfield. Many beautiful floral tributes were brought by friends and relatives. The remains were taken to Riverside Cemetery and placed in the tomb. Much sympathy is felt for Mrs. Cummings and the families. Mrs. Cummings and children are with her parents, Mr. and Mrs. Frank Foster, for the present.

## NOTICE

To the Citizens of Oxford County:

In response to the recommendation of citizens in various sections of our County, I have decided to become a candidate for the Republican nomination for County Sheriff at the Primaries to be held in June, 1924.

For introduction to those who are not acquainted with me, I will say that I have been a Republican voter in Oxford County. For vocation I have farmed; clerked for lumber operators; was bookkeeper six years in the main office Paris Manufacturing Co.; about five years in the U. S. Army, working up through the various grades to Lieutenant and part of the time in foreign service. Since the war I have been in the employ of the Dept. Inland Fisheries and Game, the last three years, and at present, chief warden.

For fraternal orders I have enjoyed a long membership with Mount Sugarloaf Grange, Paris Lodge F. and A. M., Albany Consistory A. A. S. R. and am ex-commander Lyman K. Swasey Post, American Legion.

I believe in 100 per cent. enforcement of the Prohibitory Law and the observance of all laws by public officials and private citizens alike: a 100 per cent. Americanism.

If elected to this office, I shall perform its duties with the zeal and energy that I have given in State and U. S. service.

Respectfully,

The "EASY" will wash the finest fabrics or the heaviest blanket quickly, easily and ELECTRICALLY.

### A Striking Value—at \$295

Considering the improved appearance of the new Ford Touring Car, one would naturally expect a proportionate advance in price.

Larger scale production, however, has made it possible to incorporate in this new type touring car a number of decided improvements without increasing its cost to the purchaser.

A comparison extending over a long period of years will reveal the fact that the present price is actually the lowest at which the five-passenger open car has ever been sold.

The Ford Touring Car stands today, as it always has, a most remarkable value in the motor car field.

This Car can be obtained through the Ford Weekly Purchase Plan

## FROM PERSONAL EXPERIENCE

Mrs. Bradford Recommends Lydia E. Pinkham's Vegetable Compound

Phoebus, Virginia.—"Having this opportunity I just cannot refrain from saying a word of praise for the Lydia E. Pinkham medicine. I have used them as occasion required for twenty years, and my three sisters have also used them, and always with the most gratifying results. During the Change of Life I had the usual distressing symptoms—hot flashes, insomnia, etc., and I am pleased to testify to the wonderful results I obtained from the Vegetable Compound. I heartily recommend it to any woman and I will be pleased to answer any inquiries that might be sent to me through the publication of my testimonial."—Mrs. H. L. BRADFORD, 109 Armistead Street, Phoebus, Virginia.

Consider carefully Mrs. Bradford's letter. Her experience ought to help you. She mentions the trials of middle age and the wonderful results she obtained from Lydia E. Pinkham's Vegetable Compound.

If you are suffering from nervous troubles, irritability, or if other annoying symptoms appear and you are blue at times, you should give the Vegetable Compound a fair trial. For sale by druggists everywhere.

### Norway and Vicinity (Continued from Page 1)

**Married in California**  
In a pretty wedding solemnized at 1 o'clock Christmas day in the residence of the bride's parents, Miss Maria Emma Gibson became the bride of Faber Harris George, Rev. Robert E. Wright, pastor of the First Methodist Church officiating.

The ceremony was performed in the living room, which had been beautifully decorated in holly berries, mistletoe and tiny fir trees in keeping with the day in the presence of thirty relatives. Immediately afterward a buffet lunch presided over by Mrs. J. F. Gibson, Sr., an aunt of the bride, was served in the dining room. Later the newly wedded couple departed by motor for a ten-day honeymoon outing to San Francisco and thence down the coast to Southern California. Upon their return they will reside for the present at 712 Goshen Avenue. The groom's father gave them a home for a wedding present and construction will be started early in the spring.

Miss Gibson's wedding gown was a lovely creation of white crepe satin beaded in seed pearls. She wore the wedding veil that adorned her sister, Mrs. G. Ralph Harriman, a few years ago, which was becomingly arranged in a wreath of orange blossoms, and carried a shower bouquet of bride's roses. Her traveling costume was of black satin with a new modish early Spring hat to correspond.

The bride is the daughter of Mr. and Mrs. Harry Elmer Gibson, who came to Visalia from Norway, Maine in 1919. She was born and reared in Norway, graduating from the high school there in the class of 1913. Later she opened a millinery and gift shop which she conducted successfully until coming to Visalia with her parents. During her sojourn here she has had charge of the notion department of a dry goods company. She and Mr. George are both active workers in the First Methodist Church.

Mr. George is the son of L. P. George. He was born in Ohio but passed most of his childhood and early young manhood in Oklahoma. He attended the Agricultural and Mechanical College in Stillwater, Oklahoma, where he was a member of the Sigma Phi Epsilon Fraternity. He went to Visalia four years ago to accept a position as bookkeeper with the Southern California Edison Company which he still retains.

The wedding guests were I. P. George, Miss Phyllis George, Mr. and Mrs. Orval Wood, Mr. and Mrs. Harry Elmer Gibson, Miss Mary Gibson, M. B. Frost, Mr. and Mrs. Leslie Gibson, of Fresno, Mr. and Mrs. G. Ralph Harriman, Mr. and Mrs. J. F. Gibson, Sr., Mr. and Mrs. George E. Gibson, Mr. and Mrs. Charles A. Gibson, Mr. and Mrs. J. F. Gibson, Jr., Mr. and Mrs. Earl Lipscomb, Mr. and Mrs. Paul E. Gibson, Jr., of Lind, Sav, Mr. and Mrs. W. F. Torne of Tulare, Mrs. Ira Harriman of Pomona, and George Gibson and Miss Helen Gibson of Alameda.

Marian E. Gibson formerly of Norway who became the bride of Faber H. George on Christmas Day was the incentive for a delightful party given by Mrs. Joe Perkins, Mrs. Harry Keener and Mrs. G. Ralph Harriman in the Perkins residence.

The home was elaborately decorated in mistletoe, fir boughs, red bells and other Christmas suggestions, chief of which was a gaily decorated Christmas tree, laden with packages, in the center of the living room. Games were enjoyed and prizes were awarded to the successful contestants, all of whom presented them to Miss Gibson. At the appointed hour the gifts were removed from the tree and all were piled up before Miss Gibson. Upon opening them she discovered a lovely miscellaneous shover.

Supper was served later in the dining room, which was also artistically decorated in the holiday colorings.

We are all located and enjoying the nice weather, though yesterday seemed like anything but Christmas.

When you go down town it is very easy to imagine that you are in Norway, Me., on a nice fall day as you can see so many folks from that town.

You had better join the bunch and see the Gandy Bridge (this bridge is to be 9 miles long across Tampa Bay and will save around 20 miles between St. Petersburg and Tampa) and as I went down Central Avenue, saw Howard Maxim changing a tire where he works.

Saw Mr. Wilbur and wife of North Brighton and as I missed the connections to Tampa on going home run into Pete Kilgore and Win Knight so you see that down here is about the same as Norway after all.

I see George Devine and family quite often and the little girl tells me she likes fine. George is getting used to the country and I think the winter down here will be beneficial to him.

I am just loafing and visiting as yet, but later on when the fishing season is on in earnest will try out the mackerel. Everyone fishes here, but just at present it is a waste of effort unless you go outside to the grupper banks.

Personally I do not care for the deep sea stuff and will wait till the mackerel begin to run in earnest.

There isn't much news here but the time does sure slip away mighty fast.

It won't be long till I am taking the northern trail again.

I hear that you folks are having a fine open winter, but you always do when I leave town. I am glad for you as I know just how tedious it is when the snow and cold weather come in November and stay late.

St. Petersburg, Fla., Dec. 27, 1923.

The Ladies' Aid will meet Friday afternoon with Miss Edna Noyes.

The Woman's Foreign Missionary Society meets with Miss Lillian Bisbee at 26 Danforth St. on Friday evening.

The Home Department held its first monthly meeting for 1924 on Wednesday afternoon at the Community Hall, under the leadership of Mrs. Carrie Philbrook.

The Epworth League Watch Night service on Monday evening was well attended and both enjoyable and helpful. At the close of the opening devotional service the newly elected officers were installed in due form, the pastor acting as installing officer.

A social hour followed, with refreshments of pop corn and fudge prepared by the experts of the committee on the spot.

The most impressive hour was that of the closing service of prayer and consecration which brought to all present the impulse to which many gave expression—the purpose to make life better and richer in service the coming year.

The officers for the current half year are as follows:

President—Willard LeBrooke.  
First V. Pres.—Gladys Starbird.

### MILLETVILLE

**Millett Neighborhood Christmas Tree**

Mr. and Mrs. Frank Millett entertained the neighborhood on Christmas night this year. There was the usual big tree gaily decorated and hung with pink bags of pop corn, candy and peanuts for each one present in the big front parlor. But the fun began when the joke packages were taken off and the appropriate rhymes read and the appropriate very personal, such as gas filling stations for auto fans and bobbed haired boarders as last summer reminders; but all were received in fun as they were intended to be. A treat of sandwiches, cake, pie and coffee was served by the hostess assisted by the ladies who each brought a plate of refreshments.
